

CANCELLATION & NO-SHOW POLICY

Patients must cancel their appointments at least 24 hours in advance. If you do not cancel with at least 24 hours notice, you may be assessed a \$20 fee, which must be paid before your next visit.

If you do not show up for your appointment you will be assessed a \$20 fee, which must be paid before your next visit. If you are more than 15 minutes late for your appointment and we have to reschedule your appointment you may be charged the \$20 cancellation fee.

Appointments are scarce and valuable. We often have a waiting list. Cancelling an appointment within the appropriate time frame will allow us to fill that time slot with someone else.

Thank You,
