

## Sponsorship/Donation Request Form

Every year our clinics and staff are approached by members of the community requesting that we help sponsor their events and fund-raising campaigns. Due to the many requests that we receive it is impossible to accommodate them all. We plan for certain requests each year and tend to align our giving with health related events and organizations. All requests will be considered.

### Please follow these guidelines to submit a request for sponsorship/donation:

- Requests must be received by Burger at least **60 days prior** to the event
- Only one request per calendar year per organization
- Any and all donations must be picked up from our Corporate Office within 10 days from the original contact from us stating that the gift is ready or that donation will be forfeit.
- Fill out this request in its entirety and submit it with an organizational letter stating the purpose of the event/donation and the number of expected guests
- Please mail, fax or email all sponsorship/donation requests to:
