

MAKING A POSITIVE DIFFERENCE!

At Burger, we're committed to supporting our community and contributing to causes that promote health and well-being.

While we receive many requests each year, we focus our support on health-related events and organizations to make the greatest impact. We appreciate your understanding, and we welcome you to submit a request for sponsorship or donation. All requests will be thoughtfully considered.

To apply, complete this form and email it along with a letter from your organization detailing the event's purpose and the number of expected participants, spectators, and/or guests.

To ensure your request is reviewed, please follow these guidelines:

- **Submit your request at least 60 days before the event.**
- Each organization may submit **one request** per calendar year. Decisions are made two to three times a year based on availability.
- If approved, donations must be picked up from our Folsom office within **10 days** of notification, or the donation will be forfeited.
